PRINCETON UNIVERSITY LIBRARY

Data Analysis Workshops 101

	Date	10:30 am to 12 pm	3 pm to 4:30 pm	Venue
Day 1	9/27/2019	Stata	R/RStudio	Firestone (A6F)
Day 2	10/4/2019	R/RStudio	Stata	Firestone (A6F)
Day 3	10/11/2019	Stata	R/RStudio	Firestone (A6F)
Day 4	10/18/2019	R/Rstudio	Stata	Stokes

Day 1, 2, and 3 sessions meet at Firestone Library, e-room A-6-F

Day 4 session meets at Stokes Library- e-room (Wallace Hall)

Contents:

The sessions are hands-on and intended for beginners, no previous knowledge of data analysis and/or Stata/R is required. Each session will cover the following for either Stata or R (RStudio):

- Data transfer.
- Data preparation.
- Descriptive statistics.
- Introduction to data visualization.
- Introduction to linear regression.

Note: All sessions cover the same material. The only difference is in the software.
